22 Jesus spoke to them again in parables, saying:

2 “The kingdom of heaven is like a king who prepared a wedding banquet for his son.

3 He sent his servants to those who had been invited to the banquet to tell them to come, but they refused to come.

4 “Then he sent some more servants and said, ‘Tell those who have been invited that I have prepared my dinner: My oxen and fattened cattle have been butchered, and everything is ready. Come to the wedding banquet.’

5 “But they paid no attention and went off—one to his field, another to his business.

6 The rest seized his servants, mistreated them and killed them.

7 The king was enraged. He sent his army and destroyed those murderers and burned their city.

8 “Then he said to his servants, ‘The wedding banquet is ready, but those I invited did not deserve to come.

9 So go to the street corners and invite to the banquet anyone you find.’

10 So the servants went out into the streets and gathered all the people they could find, the bad as well as the good, and the wedding hall was filled with guests.

11 “But when the king came in to see the guests, he noticed a man there who was not wearing wedding clothes.

12 He asked, ‘How did you get in here without wedding clothes, friend?’ The man was speechless.

13 “Then the king told the attendants, ‘Tie him hand and foot, and throw him outside, into the darkness, where there will be weeping and gnashing of teeth.’

14 “For many are invited, but few are chosen.” Matthew 22:1-14

CONFERENCE is a Standing Committee within this Government System. CONFERENCE launches Special Committees for special tasks. The Conference happens once a year in June. The Conference will teach how GOD'S GOVERNMENT works. The Conference is also considered as one of the Committee Meetings On A Whole within this Government Convention. The objective is for participants to learn that they are a part of a spiritual Government just like they are a part of a natural Government here in Canada. And must leave with this image in mind. The outcome is for participants to perceive (see) the kingdom clearly as a Government and to understand (hear) the kingdom clearly as a Government and to know (by faith) that Christ is reigning as King now and that they are a king now under His rule sent (and commissioned) to colonize earth with heaven's Government. All sermons must align with this message. If the message is no longer about God's Government and this teaching of a clear picture of the Church seeing and understanding THE KINGDOM as GOD'S GOVERNMENT then this Conference should be suspended and ONLY resumed with this one objective. The larger mandate is to OPERATE LIKE A GOVERNMENT. The Conference should give a clear picture of Government to all hearers. The name of the Conference is GOD SAID YES.

### Program Statement

ROBW Childcare Services is in alignment with the Child Care and Early Years Act 2014, Ontario's Pedagogy for Early Years and its regulations in Ontario. Our program design, pedagogical philosophy and program development is based on the framework of How Does Learning Happen? (HDLH) as set by the Ministry of Education. According to How Does Learning Happen? "Curriculum (the content of learning) and pedagogy (how learning happens) in early years settings are shaped by views about children, the role of educators and families, and relationships among them" (Ontario Ministry of Education [OME], 2014, p. 5).

### Image of the Child

We believe *quality relationships* shape the future of the child.

We see parents and families as *co-collaborators* in the child's development.

We see the child as a "valuable contributor to his or her surroundings, and deserves the opportunity to succeed" (OME, 2014, p. 6).

We believe that "it is not how smart you are, it is how you are smart" (Howard Gardner, Multiple Intelligence, Psychological Theory, 1983).

### Inclusion Statement

We believe *inclusion* means a child is fully accepted, to freely express their individuality with full physiological, social and emotional support.
